[redacted] Paint the town green with us by canvassing to spread the word about the fight for abortion rights!

Date: Sun, August 14, 11:00 AM – 2:00 PM
Location: NoHo Arts District
5211 Tujunga Ave
Los Angeles, CA 91601

We will be passing out signs and stickers throughout the community to call on people to join our fight to legalize abortion nationwide 💚✊

Green has become the color of abortion rights. Our Latin American sisters spread #MareaVerde, or the GreenWave which enabled Colombia, Argentina and Mexico to legalize abortion. Every day, women of all walks of life wore green bandanas proudly to school, on public transportation, to work, at social gatherings, and every display was an act of resistance.

We're spreading the green wave across #losangeles. We will be loud, visible and unable to ignore. And this Saturday, we're paining #NoHo green.

The more people that come out the more green we'll see around our city, so bring a friend and let's paint the town green!

[redacted] On Monday, August 8th, the City of LA will begin criminalizing the repair, sale and distribution of bikes on public sidewalks. Join us for "Bike Repair City" a one day creative action and protest against this law that will target poor and low income communities, unhoused people, street vendors, black and brown cyclists, youth and more. This law is not about bike parts - it's about criminalizing our communities and bringing more and more cops to stop and harass people on bikes.

Start the day off at 11am with a kick-off press conference to hear from those who will be most directly impacted by this law including unhoused community members, bike mechanics, street vendors and cyclists of color. Hosted by [redacted]

We will then hold a free bike repair clinic on the steps of city hall for anyone who wants to have their bike repaired with community partners and community bicycle co-ops including [redacted] and more. We will have giveaways, free bike education, know your rights and much more.

At 5 pm we will convene for a mass bike ride in protest of the new law. Stay tuned for more info but be ready to ride.

And we will end the day with a mutual aid night market from 7-10pm featuring food, hygiene, clothing and essentials with [redacted]

Join us in building a movement to resist criminalization of poor and low-income communities here in Los Angeles. Bike repair is not a crime. Ride to Live/Repair to Ride!

Please help us spread the word far and wide! We will also be accepting donations of bicycles on site.
